

Travel with confidence

Plan ahead

Be informed

Check train times before you travel at www.nationalrail.co.uk

Get your ticket online

Reduce close contact by only using our ticket offices if you have to

Stay safe and considerate

Wash your hands

Before and after travelling

We recommend you wear a face covering

Over your nose and mouth, unless you are exempt

Keep your distance

Stay apart from other people by 2 metres if you can – about the length of holding your arms out to the side

Priority seats

Keep priority seats and wheelchair spaces free if there are other seats available to you

We are...

Increasing cleanliness

Cleaning stations and trains more frequently

Providing hand sanitiser

Ready for you to use when you need it

Giving information

Clear signs and announcements to help you find your way
