

## Improving Your Stations - Southern

Below is a list of recently completed or planned station projects, most of which are funded through the Passenger Benefit Fund. Please note that detailed survey and design work may lead to changes.

For more information, please contact [passengerbenefit@gtrailway.com](mailto:passengerbenefit@gtrailway.com).

We will add to this list as projects are confirmed, and we have removed schemes which, following detailed surveys, are no longer feasible. Last updated 06 April 2021

Station	Description
Aldrington	Customer Information Screen
Aldrington	Defibrillator
Aldrington	Handrails to platform 2 ramp
Aldrington	Landscaping adjacent to Ticket Vending Machine and cut back tree
