Platform access points may vary and there may not be step-free access to or between all station areas or facilities. Access routes may be unsuitable for unassisted wheelchair users owing to the gradient of ramps or other reasons.
- Step-free access between train and platform requires a staff-operated ramp. If you require a ramp or need help getting on or off trains, please book this in advance and we will make sure staff are available to help, otherwise there might be a significant delay to your journey.
